FOR IMMEDIATE RELEASE

Security Bank wraps up summer campaign with West Texas Food Bank

Midland, TX- Security Bank and The West Texas Food Bank celebrated the end of a successful campaign, “Be an Angel: Feed a Child” on August 13th, 2015. The campaign resulted in awareness of hunger within West Texas and over \$4,000 was raised to feed children this summer.

The campaign launched on July 13th and lasted the duration of 30 days, in honor of the WTFB’s 30th anniversary year. Raffle tickets were sold in Security Bank branches, as well as a night at a Rockhounds Game on July 23rd. The Security Bank Solutions Team volunteered that evening, selling tickets on behalf of the WTFB. The raffle included an Apple Sport Watch and Night in a Rockhounds Suite. All donations went directly to the WTFB. The funds raised from the campaign will provide approximately 16,368 healthy meals to children in need.

The campaign was a collaboration between Security Bank and The West Texas Food Bank to raise awareness for childhood hunger, as well as raise funds during the summer when donations are not as frequent. Approximately 27,000 West Texas children are food insecure, meaning they do not know when they will eat their next meal. Over 40 percent of the clients served at the WTFB are children.

“We are proud to be a partner with the West Texas Food Bank and help fight hunger in our West Texas communities,” stated Jim Smitherman, CEO of Security Bank. “It is with the help of our employees and customers that we can come together and continue making a difference alongside the West Texas Food Bank.”

About Security Bank

Security Bank was founded in 1928 when a group of local investors realized a vision to help the West Texas community overcome what was clearly one of the most tumultuous times in the history of the United States economy – The Great Depression. Security Bank withstood the instability of that era and proved to be an institution of compassion, character and tenacity. In its 86 years, the bank has continued to endure the changes the market has incurred. It remains one of the oldest financial institutions in West Texas and is continually exceeding the market standards in safety and performance ratings. Security Bank has grown to over \$900 million in assets and has 12 locations in 9 Texas counties. To learn more about Security Bank, log on to www.mysbank.com.
