FOR IMMEDIATE RELEASE

## **Security Bank named one of the ‘Best Banks to Work For’ by *American Banker***

**Midland, TX-** Security Bank has been named one of the ***Best Banks to Work For*** in 2018.

The ***Best Banks to Work For*** program, which was initiated in 2013 by *American Banker* and Best Companies Group, identifies, recognizes and honors U.S. banks for outstanding employee satisfaction.

Determining the ***Best Banks to Work For*** involves a two-step process. The first step involves an evaluation of participating companies’ workplace policies, practices, and demographics. In the second step, employee surveys are conducted to directly assess the experiences and attitudes of individual employees with respect to their workplace. The combined scores determine the top banks and the final ranking.

Excellent health benefits, free tickets to the Midland Rockhound games, and rewards like gift cards and a day of PTO for volunteerism are some of the highlighted perks for Security Bank employees.

“Our people are the heart of this organization,” remarked James C. Thomas, Chairman and CEO of Security Bank. “Without our employees and core values, we wouldn’t be the organization we are today. I believe, along with our Board of Directors, it is imperative to take great care of our employees by providing great benefits and good working environment. I am thankful to have such a wonderful staff and group of people at Security Bank.”

### **About Security Bank**

Security Bank was founded in 1928 when a group of local investors realized a vision to help the West Texas community overcome what was clearly one of the most tumultuous times in the history of the United States economy – The Great Depression. Security Bank withstood the instability of that era and proved to be an institution of compassion, character and tenacity. In its 90 years, the bank has continued to endure the changes the market has incurred. It remains one of the oldest financial institutions in West Texas and is continually exceeding the market standards in safety and performance ratings. Security Bank currently has 11 locations across Texas. To learn more about Security Bank, visit [www.mysbank.com](http://www.mysbank.com).
