FOR IMMEDIATE RELEASE

Security Bank Hosting Event Benefitting Leukemia and Lymphoma Society

San Antonio, TX, May 21st, 2014- Security Bank will be hosting an evening with guest Tom Sessi, running for Man of the Year benefitting the Leukemia and Lymphoma Society. The event will be held at Security Bank's San Antonio branch, located at 2526 North Loop 1604 on Wednesday, May 21st from 6:00-8:00 PM. Security Bank invites the community to join them for hors d'oeuvres' and wine tasting as they raise funds and awareness for Tom Sessi's Man of the Year Campaign.

Tom Sessi, owner of Sessi Wine Company, felt called to run for Man of the Year after being encouraged by friends and his past involvement helping both Fernando Suarez and Tina Kahlig win Man and Woman of the Year several years ago. Sessi is drawn to help those with leukemia and lymphoma because of the impact it has on children, as well as seeing victims suffer from this disease. He has been encouraged with the progression of higher survival rates, due to funds raised towards research and new treatments. "I have set a goal of raising \$100,000 during this campaign," remarked Sessi. "It is with the help of generous people and businesses like Security Bank that makes this goal attainable." Sessi's campaign will be running until the end of May. For more information, please visit his page at: www.mwoy.org/pages/sctx/sat14/tsessi.

About Security Bank

Security Bank was founded in 1928 when a group of local investors realized a vision to help the West Texas community overcome what was clearly one of the most tumultuous times in the history of the United States economy – The Great Depression. Security Bank withstood the instability of that era and proved to be an institution of compassion, character and tenacity. In its 86 years, the bank has continued to endure the changes the market has incurred. It remains one of the oldest financial institutions in West Texas and is continually exceeding the market standards in safety and performance ratings. Security Bank has grown to over \$800 million in assets and has 12 locations in 9 Texas counties. To learn more about Security Bank, log on to www.mysbank.com.
